Garden and Parish Property Notice:

Dear Parents, we ask that you please monitor your children and teach them respect when on church property. There is a chronic problem of spilled drinks, smashed food, utensils etc. discarded throughout the school and outdoors. Children fill our garden fountain with rocks every Sunday and damage the plantings. The fountain was already broken once last year. The fountain, statues, and plants are memorials of our loved ones and if your children are responsible for damaging them, you will be notified to replace them. Additionally, many elderly parishioners are unable to attend our social gatherings for fear of being pushed or knocked over by careless young ones.

Please help us keep Old St. Mary's an inviting and usable space for all ages by educating your children in respect for people, property and cleanliness. Thank you!
