The date is Saturday November 15, starting at 9 a.m. We will have two large construction dumpsters and plan to take about three loads of furniture/lumber to Restore/St. Vincent de Paul. We need adults, older children (10 and up) accompanied by responsible adults, people with trucks and trailers, people with sawsalls....if any of these categories fits you, please email Sr. Philomena at FlosCarmeli@Carmelitedaughters.org to let us know you are coming or ask questions. More hands make light work! Lunch will be provided so please RSVP so we can plan the workday and food. Please bring your own water bottle and work gloves.

Church Windows

This time of year, the temperature can be low in the morning and warmer in the afternoon. Please do not touch the windows. The Fathers will set when and how the windows are opened and closed. If you are a person who is cold, please be sure to bring a sweater or jacket. Thanks for your cooperation!

Looking for Tech Help

If anyone has the ability to run an Ethernet cable, we are seeking assistance at Old St. Mary's and Sacred Heart. Please contact the parish office.

Registrations Update

We have completed going through all the new registrations and census updates up to this point. We have sorted through hundreds of these submissions. Our next phase will begin, as soon as Father has had the chance to review the compiled data. If you haven't heard anything at this point, don't worry. There are many steps in this process. Thanks for your patience.
